NOTES:

- 1) **A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend the meeting and vote on a poll instead of himself and the proxy need not be a member of the Company. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy of any other person or member. The instrument of proxy in order to be effective, should be deposited at the registered office of the company, duly completed and signed, not less than 48 hours before the commencement of the meeting. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable. A proxy form is attached hereto.**
- 2) Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
- 3) An Explanatory statement pursuant to section 102 of the Companies Act, 2013 in respect of business to be transacted under item 4 and 5 above is annexed hereto.
- 4) The Register of Members and Share Transfer Books of the Company will remain closed from July 10, 2017 to July 17, 2017 (both days inclusive) in connection with the Annual General Meeting.
- 5) If dividend on Equity Shares, as recommended by the Board, is approved at the AGM, it will be paid on 31st July 2017 as under: (i) To all Beneficial Owners in respect of shares held in electronic form, as per details furnished by the Depositories for this purpose as on the beginning of 10th July, 2017. (ii) To all Members in respect of shares held in physical form, whose names are on the Company's Register of Members after giving effect to valid transfers in respect of transfer requests lodged with the Company as of the close of business hours on 9th July, 2017. Date of payment will be July 31, 2017.
- 6) The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the depositories for depositing dividends. Dividend will be credited to the Members' bank account through NECS wherever complete core banking details are available with the Company. In cases where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. Members are therefore requested to update their NECS / Bank details with the Depositories / Registrar and Share Transfer Agent of the Company.
- 7) Pursuant to the provisions of Section 124 and 125 of the Companies Act, 2013, dividend for the financial year ended 31st March 2010 and thereafter which remains unclaimed for a period of seven years will be transferred to Investor Education and Protection Fund (IEPF) established by the Central Government. The Shareholders who have not claimed or encashed their dividend warrants for the financial year ended 31st March 2010 and subsequent years are therefore requested to approach the Company / Registrars and Transfer Agents in writing with their details to facilitate payment.

As per the IEPF (Uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012 (IEPF Rules), the Company has uploaded the information in respect of the unclaimed dividends for the financial year ended 31st March, 2010 and subsequent years on the website the IEPF viz. www.iepf.gov.in and on the website of the Company viz. www.dai-ichiindia.com. The objective of the IEPF Rules is to help the shareholders ascertain status of the unclaimed amounts.

Members are also requested to note that, pursuant to the provisions of Section 124 of the Act and the IEPF Rules, the Company is obliged to transfer all shares on which dividend has not been paid or claimed for seven consecutive years or more to an IEPF Demat Account. The Company has already sent notices to members in whose case the due date of transfer of such shares is deemed to be 31st May, 2017. On further notification from the Ministry of Corporate Affairs, necessary steps will be initiated by the Company to transfer shares held by the members to the IEPF without further notice. Members/claimants whose shares or unclaimed dividend have been transferred to the IEPF Demat Account or the Fund, as the case may be, may claim the shares or apply for refund to the IEPF Authority.

- 8) Members whose shareholding is in physical mode are requested to immediately notify any change in their addresses to M/s. Sharex Dynamic (India) Pvt. Ltd. at Unit – 1, Luthra Ind. Premises, Andheri Kurla Road, Safed Pool, Andheri (East), Mumbai – 400 072 and members whose shareholding is in electronic mode are requested to direct change of their address notification to their respective Depository Participants.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit their PAN to the Depository Participants with whom they maintained their demat accounts. Members holding shares in physical form should submit their PAN to M/s. Sharex Dynamic (India) Pvt. Ltd.

- 9) The Shareholders desiring any information as regards Financial Statements are requested to write to the Company at an early date so as to enable the Management to keep the information ready.
- 10) Members/proxies are requested to bring duly filled Attendance slips and their copies of annual report along with them as copies of the Report will not be distributed at the meeting.
- 11) In support of “Green Initiative in Corporate Governance” announced by the Government of India and Regulation 36 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 with the Stock Exchange, Copy of Annual Report alongwith Notice, indicating the process and manner of remote e – voting are being sent by email to those Members whose email addresses have being available to the Depository Participants unless the Member has requested for a hard copy of the same. For members who have not registered their email addresses, physical copy of the Annual Report alongwith Notice will be sent in the permitted mode.

The Company hereby requests the Members holding shares in electronic mode to update their email address with their Depository Participant(s). Members holding shares in physical mode are requested to update their email address by writing to the Registrar of the Company.

ANNEXURE TO THE NOTICE**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 REGARDING SPECIAL BUSINESS****Item no. 4**

This Explanatory Statement is provided though strictly not required pursuant to the provisions of Section 102 of the Companies Act, 2013 ('Act').

Pursuant to the provisions of Section 139 of the Act and Rule 6 of the Companies (Audit and Auditors) Rules, 2014, at the 54th Annual General Meeting, the Members appointed Deloitte Haskins & Sells LLP, Chartered Accountants, as Statutory Auditors of the Company, for a period of three years, from the conclusion of the 54th Annual General Meeting till the conclusion of the 57th Annual General Meeting. As per second proviso to Section 139(2) of the Companies Act, 2013 ('the Act'), a transition period of three years from the commencement of the Act is provided to appoint a new auditor when the existing auditor's firm has completed two terms of five consecutive years.

Accordingly, as per the said requirements of the Act, BSR & Co. LLP, Chartered Accountants are proposed to be appointed as Statutory Auditors of the Company, for a period of 5 years, commencing from the conclusion of 57th AGM till the conclusion of the 62nd AGM, subject to ratification by members every year, as may be applicable. BSR & Co. LLP, Chartered Accountants, have consented to the said appointment and confirmed that their appointment, if made, would be within the limits laid down by or under the authority of the Companies Act, 2013. They have further confirmed that they are not disqualified to be appointed as statutory auditors in terms of the provisions of Companies Act, 2013 and the rules and regulations made thereunder.

None of the Directors/Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at item No. 4 of the notice.

The Board recommends the resolution set forth in item No. 4 of the notice for approval of the members.

Item no. 5

The Board, on recommendation of the Audit Committee, had approved the appointment of Mr. Sudhir Govind Jog, Cost Accountant (Membership No. 5599) to conduct the audit of the cost records of the Company, for the financial year ending March 31, 2017, on a remuneration of ₹ 1,20,000/- plus applicable taxes and reimbursement of actual out of pocket expenses.

In accordance with the provisions of Sections 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration is required to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary resolution as set out at Item no. 5 for ratification of the remuneration payable to the Cost Auditor for the financial year ending March 31, 2017.

None of the Directors and Key Managerial Personnel of the Company or their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 5.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

INDUSTRY STRUCTURE & DEVELOPMENT: OPPORTUNITIES AND THREATS, RISKS AND CONCERNS

Business Environment**Global Economic Outlook**

The Business of Chemistry is applying science to support and enhance the quality of our lives. The chemical industry is continuously creating new processes and products to solve performance, safety, and efficiency issues, for diverse industry verticals.

The global specialty chemicals market is driven by a number of factors, including the growing demand from many end-user industries, e.g. for high performance and greener Coatings, or Specialities related to Shale gas production etc.

Construction chemicals, specialty polymers and Electronics chemicals hold the highest market segments, collectively accounting for about 30% of market share, due to the demand from their end user industries.

Since the Specialty Chemical sector encompasses such a large number of market subsectors, the global market is enormous valued at over \$800 billion last year. As the global population grows from 7 billion to 9 billion in a few decades the chemical industry will be indispensable for their survival and improved living standards.

On the other hand, challenges from low crude oil prices and ever stringent environmental regulations governing specialty chemicals, have dampened the growth of this market globally.

Domestic Economic Outlook

The Indian Specialty Chemical Market is expected to reach \$70 billion by 2020. In 2015, the Global Chemical Industry stood at \$3.6 trillion, while the Indian Chemical Industry stood at \$144 billion. The Global Chemical Industry is expected to reach \$4.5 trillion by FY17, while Indian Chemical Industry is forecast to reach \$224 billion in fiscal 2017.

With projected annual growth of 7.5% in 2017-18, India will remain the fastest growing G20 economy despite the impact of demonetisation, Brexit and Trump.

As the world's key economies face a slowdown, India is recognised as the next driver of global economic growth in the coming decade, positioned as the top five fastest growing economies in the world.

As India emerges as a manufacturer and supplier of Specialty Chemicals there has been a major impact on the Global Specialty Chemical Industry. The wide capability of the Specialty Chemical Companies extends to all sectors and sub-sectors of the Specialty Chemical Market.

Driven by strong macro and micro factors, in the past 5 years, the Indian Specialty Chemical Industry, valued at \$25 billion, grew at CAGR of 13% (1.9x Indian GDP growth), outpacing global growth.

Some of the key reasons for the growth of Specialty Chemical Industry in India is the increased demand of domestic consumption; changing customer behaviour with increase in purchasing power; reduction in input costs due to sharp correction in crude oil prices, and softening of Chinese exports (due to stringent environmental regulations).

Low priced crude has already re-rated Indian specialty chemicals since mid-2014, though India's disadvantages in feedstock position and lack of adequate infrastructure have hindered its progress into the big league, inspite of the otherwise favourable environment.

India's large population base and its low per capita consumption of chemicals, together with a relatively strong GDP growth outlook, will sustain healthy domestic growth. Progress in key end-user industries domestically would support this growth. Growing urbanization (with 30% of the population living in cities) coupled with the growing aspirations of the youth, will catapult the need for specialty chemicals in certain sectors. Positive lifestyle changes and growing disposable income throw up incremental opportunities and above average growth.

Specialty chemicals enable Industry and Society in general to function at optimum levels. They affect almost all human activity and are an integral part of our day to day lives.

In India, this sector is growing at 12-15%. The Government of India initiatives such as Make in India, Swachh Bharat, Affordable housing, and Clean water, unlock a huge potential for the chemical industry to participate. The significant increase in infrastructure investments to close to 4 lakhs crores will have a multiplier effect on the economy and indirectly to the performance of the company.

Specialty Chemicals are normally performance based, and very often customised to the needs and applications of the customer. They are very often proprietary formulations that require a deep knowledge of the customer's industrial applications and product needs. In addition, effective customer service is imperative, as very often the products are sold not only on specifications but also on performance parameters. Specialty chemicals are about margins rather than volumes, and the higher the value addition the greater the return.

In order to be successful in this market, it is imperative to have very close contacts with the major customers specifically with their R&D and technical departments.

It, therefore, stands to reason that innovation would be the key driver for the business and sustainability of specialty chemicals in the long run. Innovation is taking an existing idea or product and improving it through stages of development, leading finally to a commercially viable product. In addition, finding new applications for existing products is very much a part of the innovation spectrum.

As competition brings pressures one can reduce costs only through innovation whilst managing knowledge and by running more cost efficient and cost optimal businesses.

Technology and automation will reduce costs and boost profitability in sectorial performance.

Company Overview and Sustainable Growth Strategy

Dai-ichi Karkaria Limited is progressing towards being a global company serving customers across 3 continents, with innovation and sustainability at the core of its business. The company markets innovative products with greater customer centricity and technology led differentiation. Financial Performance

The total Sales revenue for the company stood at ₹ 1340 million. An increase of approximate 7% from the previous year. PBT rose to ₹ 24 crores against ₹ 21 crores in the last year an increase of approximately 14%.

Sector wise Performance:

The last quarter of the year ended on a positive note with the effects of demonetisation waning. The resumption of Industrial growth signalled that the worst was over.

Though certain sector like Paints, Adhesives showed an upward trend, the company showed lack luster performance in the Textile segment.

The overall business grew well in certain sectors like Paints, Coatings and Neat surfactants (ethoxylates) used in Metal cleaning and the Dyestuff Industries, which showed growth of 15%-17%.

The company doubled its sales in the Lube oil sector and showed continuous growth in its exports of oil field chemicals to its Joint Venture partner.

The major downturn has come from the Textile sector where the company lost some business with a Key Rayon customer but is poised to regain this business with new, value added offerings this year.

In addition, in Spin finishes the company has taken time to recover from the competition from Japan, and is now faced with competition from smaller players. We plan to strengthen the application development and technical service divisions to capture more players in this segment, instead of limiting our scope only to the big units.

The company's businesses did face a slowdown in the third quarter due to the trailing impact of demonetisation that affected the end user customers. However, the fourth quarter has shown a sharp rebound, and considerable interest from customers for the company's newer generation APEO free products that are mandatory for export markets.

There has been some impact on the company's business with its Joint Venture partner Nalco Champion, due to the continuously low crude oil prices. Lower crude oil prices which had marginally impacted expansions in the oil sector, last year, are now of some concern. Whereas it was felt that due to organic growth and the growing energy requirements of certain Asian countries, the prices of crude oil would not impact future expansions, there seems to be a definite slowdown, and deepening caution. As a result, the large volume increases the company was expecting in this area have failed to materialize. However, there has not been any major decrease in this business for the company and we expect to maintain or experience slightly higher growth for the business in the coming year.

The Polyacrylamide business at the Kurkumbh plant has shown some growth, now that the mining sector is operational again. The company has shown a volume growth of over 20%, which is an encouraging sign after two years of negative growth. The reopening of the mines and improvement in the steel and iron ore markets, auger well for the coming year. In addition, new applications in sand making, and the trend for sludge dewatering will increase the demand for flocculants in the market. With strategic focus on defined product applications and innovative pricing models, the company will strengthen its presence in this market.

The company's construction chemical business is progressing well. Recently there have been some major break throughs in this area, which should result in enhanced product portfolio in the coming year.

Dahej Project:

The Dahej project is underway and in execution phase with civil and mechanical activities in full swing. Production activity is likely to begin in November 2017 and full capacity would be achieved by April 2018. The total investment for the project is estimated at ₹ 168 crores. The Company has gone ahead with the best in class swiss technology, augmenting its capability to manufacture a wider range of products with better yields, quality, productivity and conversion costs. Also, the plant is advantageously located in a chemical zone (Petroleum, chemicals and petrochemical investment region - PCPIR), which will help in reducing transportation and handling costs.

Working Capital Management:

The significant ratios of the Company such as Ratio of Inventory to Sales is 12.92%, Receivable to Sales is 16.28%, and Net Working Capital to Sales is 21.82%.

The working capital was rotated 4 times in the year, showing effective working capital management. Funds surplus to the operational requirements have been invested in safe and relatively risk free instruments to earn a reasonable return.

JOINT VENTURE / ASSOCIATE/ SUBSIDIARY COMPANIES:

Joint Venture Company – Nalco Champion Dai-ichi India Private Limited (formerly known as Champion Dai-ichi Technologies India Ltd.)

The Company has a Joint venture with CTI Chemicals Asia Pacific Pte. Ltd., in the ratio of 50:50.

DIRECTORS:

Mr. A. H. Jehangir retires from the Board of Directors by rotation, in pursuance of the provisions of the Companies Act, 2013 and Articles of Association of the Company. Being eligible for reappointment, he has offered himself for re – appointment. The Board of Directors recommends his re-appointment.

The information required to be furnished under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 & Secretarial Standards are given in the Notice of the 57th Annual General Meeting.

The Members of the Company had appointed Dr. Anil Naik, Mr. Kavas Patel and Mr. Keki Elavia as Independent Directors under the Companies Act, 2013 for a period of 5 years for a term upto 31st March, 2019. All Independent Directors have given declarations that they continue to meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

DIRECTORS' RESPONSIBILITY STATEMENT:

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statements in terms of Section 134(5) of the Companies Act, 2013:

- (a) In the preparation of the annual accounts, for the financial year ended March 31, 2017, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year March 31, 2017 and of the profit and loss of the company for that period;
- (c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) The annual accounts have been prepared on a 'going concern' basis;
- (e) Proper internal financial controls laid down by the Directors were followed by the Company and that such internal financial controls are adequate and operating effectively;
- (f) Proper systems to ensure compliance with the provisions of all applicable laws were in place and that such systems are adequate and operating effectively.

DETAILS OF INTERNAL FINANCIAL CONTROLS:

The Board of Director have laid down Internal Financial Controls within the meaning of the explanation to Section 134(5)(e) ("IFC") of the Companies Act, 2013. The Board is of the opinion that the Company has sound IFC commensurate with the nature and size of its business. Business is however dynamic. The Board is seized of the fact that IFC are not static and are in fact a fluid set of tools which evolve over time as the business, technology and fraud environment changes in response to competition, industry practices, legislation, regulation and current economic conditions. There will therefore be gaps in the IFC as Business evolves. The Company has a process in place to continuously identify such gaps and implement newer and or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
DAI-ICHI KARKARIA LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of DAI-ICHI KARKARIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31 March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer note 29.1 (i) (a) to the standalone financial statements;

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Dai-ichi Karkaria Limited (“the Company”) as of 31 March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Some of the fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) With respect to immovable properties of land and buildings that are freehold, according to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of making investments and providing guarantees and securities, as applicable. The Company has not granted any loans.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year in the terms of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013. There were no unclaimed deposits as at the year end.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 for chemicals. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us in respect of statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.

1 CORPORATE INFORMATION

Dai-ichi Karkaria Ltd. ("DIKL") / ("the Company") was incorporated on 13 May, 1960 under the laws of the Republic of India and has its registered office at Mumbai (Maharashtra). DIKL is engaged in manufacturing of Specialty Chemicals. The Company also has a joint venture Company - Nalco Champion Dai-Ichi Private Limited, with CTI Chemicals Asia Pacific Pte. Ltd., Singapore.

The manufacturing activities of the Company are carried out from its plants located at Kasarwadi and Kurkumbh, Pune (Maharashtra).

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of accounting and preparation of financial statements

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles (GAAP) and applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention except for categories of fixed assets at Kasarwadi Plant as on 1 April 1993, that are carried at revalued amounts. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at lower of cost and net realizable value, on the weighted average basis. Work in progress, Semi finished goods and Finished goods are valued on absorption costing basis. Due allowance is made for slow moving and obsolete stocks.

2.4 Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

2.5 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Asset costing ₹ 5,000/- or less are fully depreciated in the year of purchase.

Depreciation on fixed assets has been provided on written down value method for assets at Kasarwadi, Pune and HO and on the straight-line method for fixed assets at Kurkumbh, Pune as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation on certain assets located at Kasarwadi acquired prior to April 1, 1993 which are stated at revalued amounts and for which incremental depreciation which was hitherto adjusted out of revaluation reserve, has pursuant to the enactment of 2013 Act, been depreciated in full without any such adjustment out of revaluation reserve.

Intangible assets are amortised over their estimated useful life on written down value method which is over a period of six years.

Leasehold land is amortised over the duration of the lease which is over a period of 99 years.

2.7 Revenue Recognition

Sale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

2.8 Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established.

2.9 Fixed Assets

Tangible Assets - Property, Plant & Equipment

Tangible Assets - Property, Plant & Equipment except Free Hold Land and certain assets of the Company located at Kasarwadi plant, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Tangible Assets - Property, Plant & Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying Tangible Assets - Property, Plant & Equipment up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of Tangible Assets - Property, Plant & Equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on Tangible Assets - Property, Plant & Equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Tangible Assets - Property, Plant & Equipment acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration.

The Company revalued certain assets located at Kasarwadi plant as on 1 April, 1993. The revalued assets are carried at the revalued amounts less accumulated depreciation until March 31, 2014 and impairment losses, if any. Increase in the net book value on such revaluation was credited to "Revaluation reserve account" except to the extent such increase is related to and not greater than a decreased arising from a revaluation / impairment that was previously recognised in the statement of Profit & Loss in which case such amount is credited to the statement of Profit & Loss. Decrease in book value on revaluation is charged to statement of Profit & Loss except where such decrease relates to a previously recognised increase that was credited to the revaluation reserve, in which case the decrease is charged to the revaluation reserve to the extent the reserve has not been subsequently reversed or utilised.

Intangible Assets

Intangible Assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of Intangible Assets comprises of its purchase price and any other directly attributable expenditure on making the asset ready for its intended use and net of trade discounts and rebates.

Capital work-in-progress

Projects under which Tangible Assets - Property, Plant & Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible assets under development

Expenditure on software development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

2.10 Foreign currency transactions and translations

Transactions in foreign currency are recorded at exchange rates prevailing on the date of the transaction. Year end balance of monetary items is restated at closing rates. Exchange difference arising on restatement or settlement is charged to Statement of Profit and Loss. Non-monetary items of the Company are carried at historical cost. Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal is made.

2.11 Export Incentives

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.12 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.13 Employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity fund and compensated absences.

Defined contribution plans

The Company's contributions to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employee.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Long term Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation determined based on Percentage Unit Credit Method with actuarial valuation as at the balance sheet date.

2.14 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

2.15 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

2.16 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.17 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.18 Research and development expenses

All revenue expenditure is charged to Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Fixed Assets.

2.19 Impairment of assets

The carrying amounts of Fixed Assets are reviewed for impairment of events or changes in the circumstances indicate that the carrying value of the asset may not be recoverable. If there are indicators of impairment, an assessment is made to determine whether the asset's carrying value exceeds its recoverable amount. Whenever the carrying value of an asset exceeds its recoverable amount, impairment is charged to statement of profit and loss.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.21 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

2.22 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DAI-ICHI KARKARIA LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of DAI-ICHI KARKARIA LIMITED (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and jointly controlled entity, comprising of the Consolidated Balance Sheet as at 31 March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled entity in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its jointly controlled company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its jointly controlled company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and other auditor in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditor on separate financial statements of the subsidiary referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its jointly controlled entity as at 31 March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹ 246,372 as at 31 March, 2017, total revenues of ₹ 13,166 and net cash (outflows) amounting to ₹ 1,070 for the year ended on that date, as considered in the consolidated financial statements. This financial statement has been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and other auditor on separate financial statements and the other financial information of subsidiary, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditor.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group companies and jointly controlled company incorporated in India is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary company and jointly controlled company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's/ subsidiary company's / jointly controlled company's incorporated in India internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and jointly controlled company – Refer note 29.1 (i) (a) to the standalone financial statements.
 - ii. The Group and jointly controlled company did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company and jointly controlled company incorporated in India.

- iv. The Holding Company has provided requisite disclosures in the consolidated financial statements as regards the holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8 November, 2016 of the Ministry of Finance, during the period from 8 November, 2016 to 30 December, 2016 of the Group entities and jointly controlled company, as applicable. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the relevant books of accounts maintained by those entities for the purpose of preparation of the consolidated financial statements and as produced to us and other auditor by the Management of the respective Group entities.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March, 2017, we have audited the internal financial controls over financial reporting of Dai-ichi Karkaria Limited (hereinafter referred to as “the Holding Company”) and its subsidiary company, which includes internal financial controls over financial reporting of jointly controlled company, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary company and jointly controlled company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary company and its jointly controlled company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditor of the subsidiary company and jointly controlled company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary company and its jointly controlled company, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of other auditor referred to in the Other Matters paragraph below, the Holding Company, its subsidiary company and jointly controlled company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company, which is company incorporated in India, is based solely on the corresponding reports of the auditors of such company incorporated in India.

Our opinion is not modified in respect of the above matters.

Notes forming part of the Consolidated financial statements

1 Corporate information

Dai-ichi Karkaria Limited ("the Company" / "DIKL" / "the holding Company") was incorporated on 13 May, 1960 under the laws of the Republic of India and has its registered office at Mumbai (Maharashtra). The Company has a Joint venture with CTI Chemicals Asia Pacific Pte. Ltd., Singapore. The Joint Venture Company is known as Nalco Champion Dai-ichi India Pvt. Ltd. (NCD). The Company and NCD are engaged in manufacture and sale of Specialty Chemicals. The manufacturing activities of the Company are carried out at its plants located at Kasarwadi and Kurkumbh, Pune and Nalco Champion Dai-ichi Private Limited, at Jejuri, Pune.

2 Basis of Consolidation and significant accounting policies

2.1 Basis of accounting and preparation of Consolidated financial statements

The Consolidated financial statements of the Company and its subsidiary (together the "Group") and jointly controlled entity are prepared in accordance with the generally accepted accounting principles (GAAP) and applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013. The Consolidated financial statements have been prepared on accrual basis under the historical cost convention except for categories of fixed assets of the Company at Kasarwadi Plant as on 1 April, 1993, that are carried at revalued amounts. The accounting policies adopted in the Consolidated financial statements are consistent with those followed in the previous year.

2.2 Principles of Consolidation

The Consolidated financial statements relate to Dai-ichi Karkaria Limited (the 'Company'), its subsidiary company Dai-ichi Gosei Chemicals (India) Limited, where the holding company holds ninety seven percent of equity capital and its jointly controlled entity NCD, where the holding company holds fifty percent of equity capital. The Consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the subsidiary company & jointly controlled entity used in the consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March, 2017.
- (ii) The financial statements of the Company and its subsidiary company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.
- (iii) Share of profit / loss, assets and liabilities in the jointly controlled entity, which is not subsidiary, have been Consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses on a proportionate basis to the extent of the Group's equity interest in such entity as per AS 27 Financial Reporting of Interests in Joint Ventures. The intra-group balances, intra-group transactions and unrealised profits or losses have been eliminated to the extent of the Group's share in the entity.
- (iv) The excess of cost to the Group of its investments in the subsidiary company / jointly controlled entity over its share of equity of the subsidiary companies / jointly controlled entity, at the dates on which the investments in the subsidiary company / jointly controlled entity were made, is recognised as 'Goodwill' being an asset in the Consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary company / jointly controlled entity as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the Consolidated financial statements.
- (v) Minority Interest in the net assets of the Consolidated subsidiary consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary company were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiary attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.
- (vi) Following subsidiary company and a jointly controlled entity have been considered in the preparation of the Consolidated financial statements:

Name of the entity	Relationship	Country of Incorporation	Ownership held by	% of Holding and voting power either directly or indirectly through subsidiary as at	
				31 March, 2017	31 March, 2016
Dai-ichi Gosei Chemicals (India) Limited	Subsidiary	India	DIKL	97%	97%
Nalco Champion Dai-ichi India Pvt Ltd.	JCE	India	Co-ventures	50%	50%

2.3 Use of estimates

The preparation of the Consolidated financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.4 Inventories

Inventories are valued at the lower of cost (JCE - FIFO / Holding Company - weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

2.5 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand .Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition)

2.6 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

2.7 Depreciation and amortisation

Depreciable amount of assets is the cost of asset, or other amount substituted for cost, less its estimated value

Depreciation is provided as per useful life prescribed in schedule II to the Companies Act, 2013 on:

- written down value method for assets at Kasarwadi, Pune & HO (including R & D assets).
- straight line method for fixed assets at Kurkumbh, Pune and at Jejuri.
- cost of leasehold land is amortized over the lease period.

Asset costing Rs 5,000/- or less are fully depreciated in the year of purchase.

Depreciation on certain assets of the Company located at Kasarwadi acquired prior to April 1, 1993 which are stated at revalued amounts and for which incremental depreciation which was hitherto adjusted out of revaluation reserve, has pursuant to the enactment of 2013 Act, been depreciated in full without any such adjustment out of revaluation reserve.

Leasehold land is amortised over the duration of the lease which is over a period of 99 years.

Intangible assets are amortised over their estimated useful life on written down value method which is over a period of 6 years.

2.8 Revenue recognitionSale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

Income from services

Income from other services rendered are recognized when the service is rendered and in according with service contracts.

2.9 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive is established.

2.10 Fixed Assets

Tangible Assets - Property, Plant and Equipment

Tangible Assets - Property, Plant & Equipment, except Free Hold Land and certain assets of the company located at Kasarwadi plant, are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Tangible Assets - Property, Plant & Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying Tangible Assets - Property, Plant & Equipment up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of Tangible Assets - Property, Plant & Equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on Tangible Assets - Property, Plant & Equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Tangible Assets - Property, Plant & Equipment acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration.

The Group revalued certain assets located at Kasarwadi plant of the Company as on 1 April, 1993. The revalued assets are carried at the revalued amounts less accumulated depreciation until March 31, 2014 and impairment losses, if any. Increase in the net book value on such revaluation was credited to "Revaluation reserve account" except to the extent such increase is related to and not greater than a decrease arising from a revaluation / impairment that was previously recognised in the statement of Profit & Loss in which case such amount is credited to the statement of Profit & Loss. Decrease in book value on revaluation is charged to statement of Profit & Loss except where such decrease relates to a previously recognised increase that was credited to the revaluation reserve, in which case the decrease is charged to the revaluation reserve to the extent the reserve has not been subsequently reversed or utilised.

Intangible Assets

Intangible Assets are carried at cost less accumulated amortization and impairment losses. The cost of Intangible Assets comprises of its purchase price and any other directly attributable expenditure on making the asset ready for its intended use and net of trade discounts and rebates.

Capital work-in-progress:

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Intangible assets under development:

Expenditure on software development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

2.11 Foreign currency transactions and translations

Transactions in foreign currency are recorded at exchange rates prevailing on the date of the transaction. Year end balance of monetary items are restated at closing rates. Exchange difference arising on restatement or settlement is charged to Statement of Profit and Loss. Non-monetary items of the group are carried at historical cost. Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the group are recognised as income or expense in the Statement of Profit and Loss.

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal is made.

2.12 Export incentives

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.13 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.14 Employee benefits

Employee benefits include Provident Fund, Employee State Insurance Scheme, Gratuity Fund, Compensated Absences.

Defined contribution plans

The Group's contributions to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employee.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Long term Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation determined based on Percentage Unit Credit Method with actuarial valuation as at the balance sheet date.

2.15 Segment reporting

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the group. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

2.16 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

2.17 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.18 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the group has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

2.19 Research and development expenses

The accounts of the Group reflect its share of the Assets, Liabilities, Income and Expenditure of the Jointly controlled operations which are accounted on the basis of the audited accounts of the Joint ventures on line-by-line basis with similar items in the Group's accounts to the extent of the participating interest of the Group as per the Joint Venture Agreements.

2.20 Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

(a) an intangible asset that is not yet available for use; and (b) an intangible asset that is amortised over a period exceeding ten years from the date when the asset is available for use.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

2.21 Provisions and contingencies

A provision is recognised when the group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.22 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

Proposed dividend as at the year end (including corporate dividend tax thereon), is provided for if recommended by the Board, and is subject to approval of members.

2.23 Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in Cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
